

WINDS OF CHANGE AD

(This PDF contains two pages including this introduction)

**Strength, leadership,
courage, freedom, power**

We need these traits for your work at StorageTek

Diverse talent is what brings balance to a successful organization. StorageTek™ needs your voice, your intellect, and your strength of expertise to be an integral part of our company.

And interns are the future. We strive to provide opportunities for students from accredited universities. It's our opportunity for the strong workforce of the future.

StorageTek offers information storage products and services that save our worldwide customers time, money and resources.

Winds of Change magazine focuses on career and educational issues for Native American people. In an effort to diversify its workforce, StorageTek human resources wanted to place an ad in the magazine in order to recruit Native American professionals. I designed and wrote the ad. I used images of strength and growth in nature to illustrate the theme of the piece.
