

OPEN STUDIOS AD

(This PDF contains two pages including this introduction)

Artistic alchemy

Boulder artists take color, space and light and turn them into fine art, transforming mere space into emotional energy.

StorageTek takes a collection of digital information and, through masterful save strategies, turns it into a priceless corporate asset.

StorageTek is proud and excited to support the 2000 Boulder Open Studios.

STORAGETEK

The StorageTek Foundation asked me to do this ad to generate awareness in the community for the Open Studios weekends in Boulder. Open Studios is an annual event during which local artists open their studio doors to the public to display their crafts and to educate the public on the artistic process. StorageTek was a sponsor of the event. I wrote and designed the ad.

See the following page for the full-sized ad >>
